Dear Patient:

For your information, OHIP does not pay for all services that you request from your doctor. Services that OHIP does not pay for are called "non-insured or uninsured services" and it is illegal and fraudulent for doctors to bill OHIP for them. In order to maintain the financial viability of our office and ensure prompt service, it is necessary (and legal) for our practice to charge for these services.

Every effort has been made to account for most of the commonly requested services below. If the uninsured service you seek is not listed, please communicate this to me or my office staff.

The fees contained in the list below are based on the Ontario Medical Association's suggested fees as found in the 2022 edition of the OMA *Physician's Guide to Third Party and Other Uninsured Services*.

All uninsured services must be paid in full when rendered. If you are present in the office, please pay by debit "tap" or credit card "tap". If you are not present in the office, an invoice will be mailed to you for secure payment with your credit card online. A receipt will be emailed to you upon settlement of your account.

Thank you for your cooperation.

Please acknowledge receipt and acceptance of the above office policy by signing below and returning it to the office staff. Should you have any further questions, please contact the office at 613-686-7580.

Sincerely,

Dr. Sunita Lal

I agree with the policy and terms. I have noted the second/back page of this document with the charges listed.
